Ceremony Marks SUB Decoration

Hanging Of Greens Will Be Thursday

Hanging of the Greens, the traditional ceremony that accompanies the decoration of the Student Union Building for the Christmas season, will be held Thursday at 5 p.m. in the Great Hall.

A large Christmas tree will decorate the north end of the hall. Wreaths will be hung at the windows by members of the YW and YMCA Cabinets and the Student Union Board.

Author To Present Reading
The highlight of the program will be a Christmas reading by Mrs. George Edwin Smith, author of the best-seller, "She Came To The Valley."

Bob Bleidt, representing the Student Union Board, will give the invocation, and Harold Holtzclaw, president of the YMCA, will present the benediction.

The Biblical Christmas story will be read by Sara Mae Green, president of the YWCA.

Men's Glee Club To Sing
Special music will be presented by the Men's Glee Club under the direction of Almo Kiviniemi. The group will sing "Break Forth O Beauteous Heavenly Light" from the "Christmas Oratorio" by J. S. Bach, "Adeste Fideles" and "Adornamus Te" by Palestrina. Jack Feltstend will be the accompanist.

The Hanging of the Greens is sponsored by the YW and YWCA Cabinets and the Student Union Board. Sara Mae Green, SUF house committee; Lois Fering YWCA; and Bob Weaver, YMCA are in charge of arrangements.

Coronation Ends Ag College Event

The coronation of Jane Barrett as queen and Black and Briddle as king of the Lewis and Clark Festival climaxed the annual event Nov. 20. Attendees to the queen were Sue Dossert and Betty Strunk and attendants to the king were Robert Layman and Neal Farris.

The king and queen were crowned by Sylvia Smith, president of Phi Upsilon Omicron, economics honorary, and Lowell Denton, president of Alpha Zeta, agricultural honorary.

Roy Camie Wins Trophy
The grand champion showman trophy was won by Roy Camie and Frank Linton placed second. The winner of the trophy in 1947 was Linsley Horn.

Individual showmanship contest winners and runners-up were R. Burns Baker and Roy Camie, Jr. sheep Neal Farris and Lovel Evans in hogs; Frank Linton and Roy Camie in cattle.

Scholarship Awards Presented
Frank Linton, Beryl McClain, Bob Hicks, Carl Hamilton, Roy Camie, and James Wells, members of the livestock judging team, received scholarship awards of \$15 from Black and Briddle and the four Kentucky cattle breeders associations.

Prof. William Survant won the horse harnessing contest, and Oren LeMaster won the corn shucking contest.

History Major Given Scholarship Award

Rose Mary Haley, Arts and Sciences sophomore, has been awarded the Phi Beta Kappa Scholarship Book Award for having the highest scholastic standing of the freshman class last year. She has a 2.9 standing.

Miss Haley is from Brooksville and is majoring in history. She is secretary of Alpha Lambda Delta, a member of Omicron, BSU, Cosmopolitan Club, German Club, Alma Mater, Piliin Club, YWCA, and FTA.

The Phi Beta Kappa scholarship was started at the University in 1931.

Dr. Taylor Declines Japan Education Post

Dr. William S. Taylor, dean of the College of Education, has declined an invitation to join an educational mission to Japan because of illness.

The invitation was extended by the U.S. Army and requested Dean Taylor's assistance in conducting an intensive training program for Japanese educational leaders as part of the military government's plan of democratization of education.

Home Ec Major Wins National 4-H Contest

Martha Routt, Home Economics sophomore, won the national championship clothing award in Chicago, Nov. 9. She will receive a \$200 scholarship, and her expenses to the convention will be paid.

Miss Routt was chosen state champion in the clothing contest this fall and was awarded the trip to the National 4-H Club Congress this week.

Chinese Give Program

The Chinese students of the Cosmopolitan Club will present the program at a meeting today at 7:30 p.m. in Room 128 of the SUB.

Deadline Extended In All-Campus Sing

The deadline for entering the All-Campus Sing has been extended from Dec. 1 to Dec. 18. William McKenney, chairman of the all-campus sing committee, has announced.

Seniors Receive Employment Help From Job Group

The Commerce Employment Association is localizing with the establishment of a placement service on the campus, according to Charles Willis, president.

The Employment Association is the originator of "Bargains in Brains," an annual publication distributed to various large companies and containing the picture, college records and personal history of each commerce senior. The Association has also functioned for a number of years as a placement service for commerce seniors, making recommendations and arranging appointments with the graduate for prospective employers.

The new campus placement service is unique in the fact that it endeavors to place students in part-time positions that will result in permanent employment after graduation. It serves as a trial period for both the student and his employer. The set-up will be advantageous in that it will offer a higher wage scale than normally paid to part-time workers.

Any commerce student who is interested in part-time employment, whether or not of a permanent nature, is requested to contact Charles Willis at University Extension 64 or come to Room 207, White Hall, 4 to 5 p.m. Mondays, Wednesdays or Fridays.

Young Journalists Meet Here Today

Approximately 150 high school journalists representing thirty Kentucky high schools are on the University campus today for the annual Kentucky High School Press Association meeting which will continue through noon Saturday.

Features of the convention, which consists of workshops, lectures, and discussions, are a workshop on the production of stencil-duplicated newspapers this afternoon from 1-4 p.m. and a workshop for printed newspapers starting at 9 a.m. Saturday.

Members of the Henry Watterson Press Club, men's journalism honorary, and Theta Sigma Phi, women's journalism honorary, will judge the delegates' editorials, features, news stories, headlines, and advertising copy. Cash prizes totaling \$75 are being offered by the Lexington Herald-Leader for the best story in each division.

All represented schools will have their papers evaluated by junior and senior journalism students. Special problems of each paper will be discussed.

Public Relations Staff Changes Announced

Two changes in the public relations staff were announced this week by Dr. Leo M. Chamberlain, vice president of the University, subject to approval by the Board of Trustees.

Kenneth L. Kuhn, news editor for the past two and a half years, will be sports editor. Paul T. Grodzus, UK journalism graduate, will succeed Kuhn as news editor.

Dr. Clark To Speak

Dr. Thomas D. Clark, head of the department of history, will speak to the League of Women Voters on "Higher Education in Germany" at 4 p.m. Tuesday in the Student Union Building.

Battle Of Words To Be Raged At UK With Centre Debaters

Under the leadership of Dr. Gifford Blyden the new debating team is well under way at UK.

A debate titled "The Abolition of Social Secret Societies" was held before the Westminster Student Fellowship at Maxwell Street Presbyterian church on November 28. Ellen Drake had the affirmative and William Doan, the negative.

Debate At UK Dec. 11
The national debate question will be the subject of a meeting to be held on Dec. 11 at the Guignol Theater starting at 2 p.m. The question is: "Resolved - that the federal government should adopt a policy of equalizing educational opportunity in tax supported schools, by means of annual grants."

The debates will be with Centre College. The UK affirmative teams will be Betty Hammock and Ellen Drake, Harry Green and Calvin Robinson. Negative teams from UK will be Paul Saad and Kenneth Thomas, Robert Hutcheson and William Doan.

On the same day a debate on the current question of federal aid to education will be held with Berea College at Berea. UK affirmative team will be Ellen Drake and Betty Hammock; negative team will be John Hammond and Franz Ross.

Debates are also planned with Georgetown College at Georgetown sometime before the Christmas holiday. Announcement of the date will be made later.

UK English Professor Granted Audience In Palace Of Hirohito

The University of Kentucky was recently represented in the Imperial Court of Japan.

Dr. George K. Brady, professor of English at the University, and member of a five man US educational culture commission, was granted an audience with the Japanese emperor, Hirohito, on Oct. 28, according to letters received by Mrs. Brady.

Emperor Prolonged Interview

The meeting took place in one of the lesser palaces on the royal grounds, the main palace having been destroyed during the war by American incendiary bombs. Originally scheduled for only 30 minutes, the meeting lasted more than an hour, and the American party later discovered that the prime minister had been kept waiting 40 minutes while the emperor prolonged the interview with his visitors.

"After being shown into the audience chamber," Dr. Brady wrote, "we stood about and waited for the emperor to make his entry. When he came in, I could not help thinking, 'So this is an emperor'."

"He looked like a quiet, unassuming and bashful man and was obviously much more nervous than we were. In fact, he suffers from some sort of nervous disorder that makes his hands tremble considerably and his body movements a bit unsteady. He was introduced to each of us in turn and shook hands as we were presented to him. I noticed particularly that he advanced while we stood still."

"After the presentation we all sat down in a rather formal circle and he talked to each member in turn, asking our impressions of Japan. We sat easily in our chair but the emperor sat on the edge of his chair as though he was about to leap up and run away like a frightened child. However, as nearly as one can tell he appeared very much interested in our replies and once or twice laughed rather heartily at the discussion, especially after we quit playing ring-around-the-rosy and started making remarks out of formal turn."

Making Effort To Be Friendly

Once when I said I hoped he would not form an impression of American culture by listening to the American radio in Tokyo, he leaned back in his chair and let go with some really genuine laughter. By that time one had come to rather like the man who was evidently making a tremendous effort to be friendly."

Dr. Brady, who has been on the UK faculty since 1925 and who was acting head of the Department of English from February, 1947, to August, 1948, is literary expert in the social sciences.

Interpreters Incompetent
One of the chief difficulties his

group has encountered, said Dr. Brady, is the lack of competent interpreters. Quite often a Japanese scholar makes a long reply in answer to some question put to him by the American educators, only to have the interpreter turn and say, "He made a long speech, but I cannot understand what he is talking about, and so I am sorry that I cannot translate it."

Even when the interpreter thinks that he understands perfectly, strange twists are often given in translation. Dr. Brady related that in one of his conferences he used the phrase "out of sight, out of mind" only to have it translated into Japanese as "blind and crazy."

Among the 31 competing teams from the United States and Canada, the University's team also won 16th place in judging all classes of livestock.

For winning first place in cattle judging, the team was awarded the Shorthorn Association Plaque.

The members of the livestock judging team are Robert Hicks, C. R. Brady, Roy R. Camie, James A. Wells, Frank Linton, Beryl McClain, and Carl Hamilton. Their coach is Prof. Forrest Johnson.

Judging Team Ranks First At Exposition
The College of Agriculture's Livestock Judging Team has won first place, for the second consecutive year, in cattle judging at the International Livestock Exposition, held in Chicago last week.

Those who do not request otherwise will be paid continuously during the period between semesters. The V.A. requests that all those desiring to conserve entitlement must report at least 30 days before the end of the semester.

Veterans withdrawing from school at the end of this semester who do not want to receive 15 days leave pay must also report to Room 204 Administration Building on the dates indicated above.

ODK Announces Tag Sale Awards

Alpha Xi Delta and Pi Kappa Alpha won first place this year in the annual tag sales drive sponsored by Omicron Delta Kappa, men's leadership honorary. Second and third places were won by Kappa Delta and Delta Delta Delta respectively in the sorority contest, and Phi Sigma Kappa and Sigma Alpha Epsilon in the fraternity contest.

Trophies were presented to these six winners at the half of the UK-Indiana Central game in Alumni Gym Monday night.

Proceeds from the tag sales will be turned over to the Athletic Association and placed in ODK's project fund, according to Darrel Hancock, tag sales committee chairman.

Final standings of sororities are: Alpha Xi Delta, \$173.54; Kappa Delta, \$113.80; Delta Delta Delta, \$108.38; Alpha Delta Phi, \$94.11; Delta Zeta, \$88.10; Zeta Tau Alpha, \$85.23; Kappa Alpha Theta, \$43.93; Alpha Gamma Delta, \$37.03; Kappa Kappa Gamma, \$33.01; and Chi Omega, \$15.00.

Fraternity standings are: Pi Kappa Alpha, \$131.90; Phi Sigma Kappa, \$103.23; Sigma Alpha Epsilon, \$94.13; Delta Tau Delta, \$64.36; Sigma Nu, \$60; Phi Kappa Tau, \$45; Sigma Chi, \$29.43; Alpha Gamma Rho, \$27.75; Zeta Beta Tau, \$27.23; Sigma Phi Epsilon, \$21.37; Alpha Tau Omega, \$13.25; Lambda Chi Alpha, \$12.35; Kappa Sigma, \$10; Alpha Sigma Phi, \$10; Triangle, \$8.65; Phi Delta Theta, \$8; Delta Chi, \$5.01; and Kappa Alpha, \$2.

They are Bob Bleidt, Norris Reigler, Barkley Sturgill, Fred Nichols, Charles Whaley, Don Robinson, Bob Bell, Ed Brookling, Harold Holtzclaw, Tommy Bell, and Johnny Owens.

Last year's Kentuckian court was Nancy Shinnick, queen Sue Allen; Evelyn Ewing, Patricia Poe, Frances White, and Fawn Grey, attendants.

Soprano Featured In Sunday Recital

Miss Ruth Pinnell, lyric soprano, will present a program of classical and modern compositions at 4 o'clock Sunday afternoon in Memorial Hall.

Works in the five-part recital will range from classical religious selections to modern American compositions. Miss Pinnell will open the concert with several selections from Bach's "St. Matthew Passion," composed originally for presentation in the church during Holy Week and considered as one of the greatest compositions of this type in musical literature.

Representing both romantic and modern German music, the second part of the program will consist of selections from Schumann's "Dichterliebe" and "Waldesgesprach," and Erich J. Wolf's "Aus der Ferne, in die Nacht" and "Im Kahn." Part three of the performance will feature Massenet's "Miroir Scene from 'Thais,'" and part four will consist of modern Italian compositions.

Concluding the musicale, Miss Pinnell will sing compositions by modern American composers.

Miss Pinnell will be accompanied by Robert Morgan.

Seats will be reserved for the senior women from Jewell Hall, and for the Association of Independent Students. Two campus groups are recognized each Sunday.

Service Frat Elects Organization Officers

Russell Ford has been elected president of Alpha Phi Omega service fraternity.

Other officers include Paul Cunningham, executive vice president; Bob Meader, vice president in charge of service; Omer Stikeleather, vice president in charge of programs; Steve Cornett, vice president in charge of social activities; Tom Poe, vice president in charge of membership; Wilfred Lott, vice president in charge of public relations.

Frank Bassett, secretary; Joe Craig, treasurer; Harry Cooper, corresponding secretary; Lee Miles, alumni secretary; Bob Stewart, historian; Joe Cocuzzi, chaplain; and Sidney Neal, sergeant at arms.

Dr. N. O. Long, professor in the chemistry department was selected as senior faculty adviser of the service group.

Recently pledged to the organization are George King, Ray Gardner, and Buddy Wilkey.

Bob Meader, vice president in charge of service, stated that fraternities and sororities donated 35 baskets for the annual APO Thanksgiving basket drive.

Tau Sigma To Give Program At U of L

Tau Sigma, modern dance group, will present a program for the University of Louisville on Tuesday at 3 p.m. at the Louisville Student Union Building.

A new Bureau of Community Service has been created on the campus under the field direction of John H. Given. The bureau will serve as a clearing house for information pertaining to community development.

John H. Given will tour local communities to advise on problems of community betterment and provide technical aid to official and private agencies.

Sympathy From Afar

An editorial called "Is A Stringent System Of Attendance Needed?" recently appeared in the Louisiana State University Daily Reveille.

It says, in part: "Perhaps the most severe school would be the University of Kentucky, where students have one hour and one quality point added to graduation requirements for class before or after a holiday."

This is no news to us, especially after last week. But Thanksgiving is the only place where this ruling really pinches, and if we had a full-length holiday then the regulation wouldn't bother us so much.

It is to be hoped that the Student Government Association will not forget about Thanksgiving because the holiday is past. The students' very strong wishes on the matter should be adequately represented.

Two Party System Back

In last spring's Student Government Association elections, the Constitutionalist party made practically a clean sweep, electing 19 of its 20 candidates.

Of the eight seats contested this week by the All Campus Party, the ACP took three, or nearly half it tried for.

The functioning of an active two-party system on campus is a healthy situation for UK student government efforts.

To Arms?

All sororities and fraternities on campus, as well as the Alumni Association, received a most unusual message this week.

In three typewritten pages, postmarked New York, a group called "The Vigilantes" asked for a little cooperation in holding a special Congressional election to draw up a new constitution for the United States. The resolution got somewhat hot about conscription, wars, Christianity, and the purchase of Bibles by the government.

The citizens of the United States, all Masonic orders, and the United Nations also got the word.

So far as we know little action has been taken on campus to get with the venture, but several persons in Wednesday night meetings were said to have been rudely awakened by laughter.

UK Is Proud Of Its Team

The return of the great Kentucky basketball outfit to action before the football team had returned from its last game didn't obscure UK's pride in that football team at all.

A gloomy start developed into a successful season, one that made student fans believe that in a few years Kentucky football will mean top-flight football to all followers of the game.

Cookin' With Gaskin

This changing world.... The students at State Teachers College, Milwaukee, Wis., have made a real change. They elected a Homecoming King. The students also elected a court for His Majesty. But guess what: The King chose his own queen!

Mighty nice for a change.

Boy: "Sure you don't think this car can steer itself do you?"—The Wallpaper.

Direct quote from Ball State News: "Psychologist Ascribes Teachers Best Wives—News Item." Uh huh. The psych's eighth point is to wit: "Their high ideals make them lovable, tender, sympathetic, and understanding." Uh huh.

—The Clemson Tiger

The members of Pi Kappa Alpha Fraternity at West Virginia University introduced a new fashion on campus. They brought the idea back from a Salt Lake City convention. Just to add suspense, the new fashion is called the "Pi Tie."

The "Pi Tie" is a necktie in the shape of the Greek letter "Pi." Just how original can one get? To use a cliché, I think it's a cute idea.

"No, smearus." answered the student ironically.—The Falcon.

A column in The Crimson Rambler of Transylvania asks the question: "Now that there are no classes on Saturday, how do you utilize this extra time?"

In parenthesis and whispers—come on UK comrades, let's organize a revolt. How did Transy do it?

The question of the week at Wells Hall dormitory at Marquette State

"KEEP WALKING AROUND, HONEY—I'LL BRING YOU OUT A COKE AT HALF-TIME."

Letters To The Editor

Fellow students, we tremble on the edge of doom! Once again, let me sound the warning!

While walking across our fair campus the other day I was horrified to see vapors, fumes, and mists arising from the earth at various spots, such as in front of the armory.

Instantly I investigated, and my vigilance did not go unrewarded. Fellow students, I know that the University has been built on top of a volcano!

Just place your ear against the ground, and you will hear, as I did, the rumblings and gurglings of the earth beneath.

The shocking thing is that one of these steaming fissures, in the campus is right behind Miller Hall, which houses the geology department. Yet that department has ignored our danger. It is left to me, a student, to cry the alarm.

Ah, believe me, things seem peaceful and serene on the surface, but listen to me, students, and act now, before it is too late!

The next warning you may get will be that of the molten lava pouring in upon you as you sit unsuspecting in your classrooms. Then you will only have time to shriek, "If only we had listened to her then!"

Vigilantly,
GINEEN PEARL McFISH

To the Editor of the Kernel:
Friday morning after I had finished reading the mastheads and the editorials, I turned eagerly to the letters to the Editor.

There, buried deep in the second column, was a note from Gineen Pearl McFish.

Now that Thanksgiving has come and gone, the issue upon which she wrote is no longer a burning one. Nevertheless, the opinions she expressed were hers alone, and believe me, I have heard quite a few say that we should rise against Miss McFish.

This is not a wise solution. Miss McFish's trouble is, possibly, that she has too much time to think. I believe I have discovered a worthwhile project for civic-minded, conscientious Miss McFish.

Miss McFish, I am sure you have seen the remains of said old Norwood Hall. The University is making no attempt to reconstruct it.

Miss McFish, will you see this monument to science and Mr. Norwood be completely destroyed by neglect and wrecking crews?

You, Miss McFish, could rebuild Norwood Hall with a bit of mortar, determination, and your own cap-

Dear Editor:

Were I endowed with the gift of a more facile pen I could express my grief in a much more grievous manner, but that not being the case I would like to record one complaint in the Kernel, anyhow.

Now that Thanksgiving is over and I know full well that this letter can have no weight upon the Thanksgiving that has just past (degonit), I shall reveal a "Now It Can Be Told" story.

I had read the articles of Gineen Pearl McFish without any elation.

SATAN (Strike Strikeleather) arrived here early yesterday morning via a manhole near the SUB to enter the forthcoming "Ugly Man" contest under the auspices of Alpha Phi Omega. ABOVE, he is giving his name and address to WHF Lott, ugly man committee chairman, as Carolyn Smith, Kappa Alpha Theta, adds her charm to a most gruesome setting.

Engineers Honored By Radio Program

"Town Meeting of the Air," a national program of the American Broadcasting Company, dedicated its program Tuesday night to the American Society of Mechanical Engineers. The program was produced both in television and AM, but was available in Lexington in radio over WLAP.

The Lexington Chapter of ASME met in Anderson Hall Tuesday night to listen to the program, and discussion was held after the broadcast.

High Newman Post Held By UK Junior

Bernard Ferraut, junior at the University, was elected vice chairman of the Ohio Valley Province of Newman Clubs at the Newman Club convention held recently in Muncie, Indiana.

Ferraut, a member of Alpha Gamma Rho is also vice president of Block and Bridge, and a member of the Veterans of Foreign Wars. At the convention he was discussion leader of the interest groups and publications panel.

YOUR TELEPHONE must take hard knocks as they come—and go on working.

To make sure it can, we test samples of each day's production and put telephones through the equivalent of years of service in a few hours or days. For example: we drop handsets into their cradles 22,000 times—equal to 4 years' normal use. And not just once, but from 16 different positions, we drop sample telephones from desk-top height onto a hardwood surface. We even check their feet to be certain they won't scratch your table.

Here at Western Electric, we've been making Bell telephones since 1882. But telephones themselves are only about 6% of the equipment used in your service. The other 94% includes wire, cable, switchboards, trucks, poles, tools, office equipment. With the exception of buildings, we make or supply almost everything Bell telephone people use—and test it with utmost care.

Guarding the quality of things used in your Bell telephone service is one way that Western Electric helps to make it the world's best.

Votes For A Penny Determine 'Ugly Man' Winner Tomorrow

By Wilfred Lott

A penny for your looks! That's what it will be for 18 entrants in the Ugly Man contest sponsored by Alpha Phi Omega. Votes will be sold for one cent each in the Student Union Building beginning Tuesday. All proceeds will be used to finance service projects.

The contenders for the title of UK's Ugliest Man and the organizations sponsoring them are Charles Guiley, Alpha Gamma Rho; Jack Carpenter, Alpha Sigma Phi; Don Seaman, Sigma Chi; John "Chenny" Everett, Sigma Alpha Epsilon; "Crusty" Christ, Sigma Phi Epsilon; Tom Montgomery, Phi

Sigma Kappa; Richard Witt, Pi Kappa Sigma; George Sakona, Scott St. Barracks; Raymond Murphy, Independents; and Bill Morgan, Harlan County Club.

Winner Announced Dec. 11

In reality a popularity determiner, the contest will close at noon Dec. 11, and the winner will be announced during the intermission of the Student Union Christmas dance that night.

APO members stated that in addition to a trophy, the winner will receive gifts from Purcell's and Bomanzi. A trophy will be on display at Bogaert's and will be presented to the organization sponsoring the winner.

Contrary to popular belief, squirrels generally forget where they have buried their nuts.

For a twist of irony, the winner may be the best looking man on the campus as the ugly aspect is all in fun, Alpha Phi Omega said.

Nose-picking in children may be cured by increasing the ends of the fingers in lead.

CAMPUS CAPERS... LAFF 'N' LEARN

Johnny
GUIDES JEFF BACK
INTO THE ORPHEAN GROOVE

NOW, MY GOOD JONGLEURS, HAVE A CARE. HOW YOU BREATHE THE BARCAROLE INTO THE EARS OF YOU MYE OF SORORITY NYMPHS, SING UP, STAR TENOR JEFFREY.

HOPE MY THROAT DOESN'T GO DRY, I'VE BEEN SMOKING A LOT.

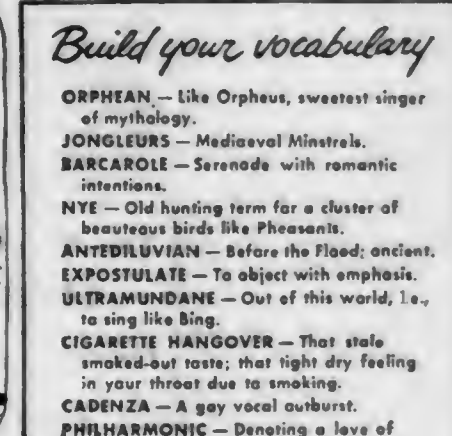

JEOPERS, JEFF, I DON'T MEAN TO EXPOSTULATE, BUT WE'LL NEVER BE THE CHAMPION CAMPUS QUARTETTE UNLESS YOU GIVE AN ULTRAMUNDANE PERFORMANCE.

SOUNDS LIKE CIGARETTE HANGOVER TO ME, JEFF. PHILIP MORRIS IS THE ONLY LEADING CIGARETTE PROVIDED DEFINITELY LESS IRRITATING, WHY NOT TRY 'EM?

THOSE HE-SIRENS SOUND MORE PHILHARMONIC THAN I'VE EVER HEARD THEM!

U-LD—SORRY, ED, MY MOUTH AND THROAT FEEL DRY—HAUMPH—AS A BONE.

Build your vocabulary

ORPHEAN—Like Orpheus, sweetest singer of mythology.
 JONGLEURS—Medieval Minstrels.
 BARCAROLE—Serenade with romantic intentions.
 NYE—Old hunting term for a cluster of beautiful birds like Pheasants.
 ANTEILUVIAN—Before the Flood; ancient.
 EXPOSTULATE—To object with emphasis.
 ULTRAMUNDANE—Out of this world, i.e., to sing like Bing.
 CIGARETTE HANGOVER—That stale smoked-out taste; that tight dry feeling in your throat due to smoking.
 CADENZA—A gay vocal outburst.
 PHILHARMONIC—Denoting a love of pleasant harmonies.

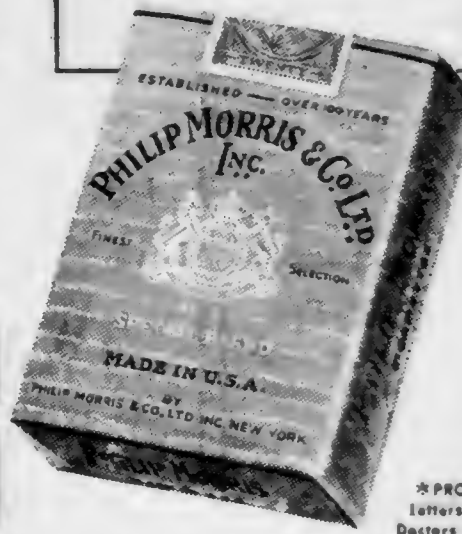

Hit a Happy Note in Smoking

All over America, millions of smokers are discovering—there's NO CIGARETTE HANGOVER when you smoke PHILIP MORRIS... because PHILIP MORRIS is less irritating than any other leading brand. That's why eminent nose and throat specialists actually suggest* PHILIP MORRIS in cases of irritation due to smoking. You'll be glad tomorrow, you smoked PHILIP MORRIS today!

SOCIETY

Through the SUB Ballroom dimly seen are the independent students cavorting at the Thanksgiving Eve dance given by the Association of Independent students.

The Spice Of Life

Lots of noises and fun in Knoxville and plenty of peace and quiet and turkey over Thanksgiving. Well, the spirit remained the same anyway! Reminds us of the official University Christmas card:

"Greetings from the University of Kentucky, the home of good spirits every day in the year!"

Bob Shearer and General Owens are said to be sad about Betty Oates' engagement to Allen Miller.

Mary Alice Mayer was entertained by a Cavalier from West Virginia last weekend. He true to the "Blue," Mary Al.

Margaret Garrett had a date with a freshman last Thursday night. Wonder if Dave's pen was home in a drawer?

Martha Bradley got quite a plug in the Northern Kentucky gossip column, so we can't ignore her here. Beauty, brains, and Joe Matthews!

Herman Kessler, don't be bashful. We know you sent that picture to Jean Ford instead of your grandmother!

Have you seen the big ring in King Rice's nose? Jay Marsh finds it quite handy.

It's truly more than politics that keeps Emma Lou Patrick and Claude Spruick together.

Hal Johnson threw away his lip sweater when he wrecked his girl's blue car that crashed them.

Martha Gault and Bill Dawson, Carey Lawson and Gus Moore had quite an excursion in the general direction of Knoxville. The car had a "sleeve" (you tell us what it is), and they had to listen to the game in Jellico.

It certainly is odd how Jane Early gets the lipstick at eleven o'clock sharp every Saturday night. The House, what are you doing?

Weeds are growing over the beaten path to Chicago. Chester Roe is again a very eligible young bachelor.

Cost him, delinquent, for Bobba Robertson and Judith Lugart. Now watch the stage line roll!

We don't know what the trouble is between Becka Noble and Ray Cammer, but they certainly have a lot of fun making it.

December 10 is a highly important date for Hubert Hazelip. It's supposed to be "Liberation Day."

They say Jim Jeffries is quite "out of radio work. Sue must be giving the little teacher.

The "Omega Nine & Shouter" Club has been dissolved. The boys at the bird cage sure miss it!

Engaged: Ann Marcum and Jess Hill.

Unpinned: Virginia Buckner and George Montgomery; Trudy Gray and David Beam.

We once epilogued to Raymond Schaefer who did not elope and who is not a party boy, so he insists. Thanks for not hating us, Ray!

Needle Dima had a party. Need we say more?

Attention Sigma Phi! Why don't you let Egan Gray out of the dungeon and give the rest of the boys a chance. Ramon Morgan is first in line.

A Quaker State lad is beating George Willis' case with Leo Barrett. We didn't see him spending any Thanksgiving time at the Tri Delta House.

Freddy is growing gray with worry. Bill Branch has stepped into the picture, and Faith Bishop doesn't mind at all.

Pinned: Nancy Shipplek and Walter Patrick; Ann Tracy and Mike

Collecting American Folk Songs Is Hobby Of UK Ballad Singer

By Bill Mansfield

"As I walked down the streets of Laredo, as I walked down to Laredo one day..."

Sound familiar? Perhaps you heard Dick Pigman sing it. Dick, a junior in the College of Education, started his unusual hobby of collecting and singing folk ballads on the order of the one above two years ago. "The words I write down, but the tunes are all in my head," commented Dick whose collection now numbers close to a hundred songs.

Broadcast On WKBY And WLEX
Since the winter quarter last year he has been doing a fifteen minute program for WKBY, the University frequency modulation station. This program, consisting of Dick's songs and a story by Glen Cockrell, also a University student, is currently being carried over WLEX at 8:45 p.m. on Thursday.

Dick's parents unintentionally started him singing ballads when

they gave him a ukulele for Christmas. "I learned enough about it to get by," he reminisced, "and started singing song of the Burl Ives type." After some "horse trading" he secured the guitar he uses now, singing as a career, but I guess I'll

No Hillbilly Jazz
Since the Pigmans have lived for a time in both the hills of Kentucky and in Texas, two of the most famous ballad settings, Dick has heard folk ballads sung as they were intended to be sung and not, as he puts it, "In jazzed-up hillbilly style." The early part of his childhood was spent in Carr Creek, Ky., where he heard his father sing many of the old mountain ballads. Later he moved to Texas where Dick lived in such lore-rich town as Laredo and Eagle Pass.

"Because of the financial aspects," Dick said, "I'm not going into ballad always sing. There's something soothing about it."

tion, delation, or excitement for that matter, until the last publication of the Kernel.

Now I am convinced beyond doubt that Miss McFish is a maladjusted person and apparently possesses symptoms of neurosis, if no more. When she had the audacity to state publicly that your editorial on Thanksgiving was the most ridiculous thing she had ever read, considered me that she must be just a "little" off the ordinary.

She apparently realizes that in a democracy like ours she opened the doors wide for criticism when she goes so far as to commit herself in such a manner, and I hope will not feel too deeply depressed at "mild" comments.

Will Miss McFish kindly reveal her source of statistics when she says that 99% of UK students regard Thanksgiving as "a theft of something precious, namely a day in classes."

Or perhaps she is a master statistician.

After having done this satisfactorily, I suggest that she use as official signature "Gallop Pear McFish" or the like.

I do not profess to claim to know the exact percentage of UK students who are in sympathy with Miss McFish, but I'll lay odds that it will not reach 99%.

And it is my opinion that college students are "immature" if they do not wish a day off occasionally to devote from their studies, visit their homes for dinner, and perhaps take a nap. And this, of course, being on Thanksgiving.

One final suggestion is that Miss McFish give her real name, rank, and serial number with her next article.

But on second thought, the Student Directories will be published soon and I shall attempt to decode any name with a possible "Mac-Fish" combination.

Yours in disgust,
JEWELL G. ADDISON

Engineering Library Has New Quarters

Mrs. Mary F. Pope, librarian of the new Engineering Library announced today that all engineering periodicals and pertinent literature have been moved from the main library to the new quarters in the Engineering Quadrangle.

The change came as a result of the increased demand from both undergraduates and graduate students in the field of research. Enrollment in the college of Engineering has increased and statistics show that the new library has many visitors in a week as was common in a month in the old quarters.

The Engineering Library is open to all students and members of the faculty of the University.

Co-ed: I really haven't a THING to wear to the party!

J. Paul Sheedy* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

IF YOU were a rhino with problem hair, we'd say: Rhino? scratch your hide and seek Wildroot Cream-Oil hair tonic? Translated it means: Try the Wildroot Finger-Nail Test! If you find signs of dryness or loose ugly dandruff, get Wildroot Cream-Oil. It's non-alcoholic—contains lanolin. Grooms hair neatly and naturally without that greasy look. Relieves annoying dryness. Removes loose dandruff. And helps you pass the Finger-Nail Test. You can get Wildroot Cream-Oil at any drug or toilet goods counter. So get a bottle or tube today. Have your barber give you professional applications. This fellow liked Wildroot Cream-Oil so well he wrote us a letter about it—said it kept his wife from going to Rhino (Nevada that is).

Chorister Group Plans Off-Campus Programs

The University Choristers will appear in three off-campus Christmas programs, according to Mildred S. Lewis, director of the women's glee club.

The group will appear in Nicholasville Wednesday under the auspices of the Nicholasville Women's Club. They will appear before the Lexington Optimist Club in the Lafayette Hotel on Dec. 10, and at Georgetown College on Dec. 16.

The Choristers will also present their annual Christmas Carol program in Memorial Hall on Dec. 12.

The most lopsided score ever run up against a Tennessee opponent was the Volunteers 104-0 victory over American University in 1905. The worst defeat suffered by a Vol team was in 1893, North Carolina U. taking a 60-0 decision.

Economist Speaks To Home Ec Club

Miss Mary E. Sweeney, nationally known home economist, spoke to a joint meeting of the home economics club and the Eta active and alumni chapters of Phi Upsilon Omicron, at the home economics building on Nov. 29.

Miss Sweeney gave an account of her experiences in India and China during her 21-month tour which ended last summer.

A graduate of Transylvania, University of Kentucky, and Columbia University, Miss Sweeney served as chairman of home economics in the U. S. Food Administration under Herbert Hoover during World War I.

She is the author of "The Growth and Development of the Young Child," "How to Feed Children in the Nursery School," "How to Feed Children in the Home," and "One Meal for All."

Until her recent retirement, Miss Sweeney was director of the Merrill Palmer School in Detroit.

Player Of The Week:

Bob Gain

Tennessee Game

The Wildcats' 230-pound tackle, Bob Gain, was the outstanding player on the field two weeks ago in the Kentucky-Tennessee contest, and has been named as Player-of-the-Week as a result.

In addition to Gain, George Blanda turned in an excellent game and had all Knoxville talking after the tilt about his sensational punting. He got off kicks of 58, 68, and 74 yards for one of the greatest punting exhibitions ever seen on Shields-Watkins Field.

The entire line of Kentucky played a terrific game. Particularly outstanding were Harry Ullinski, Wah Jones, Dick Hildway, Jerry Claiborne, Lloyd McDermott and Ben Zaranka.

Makes All-South
Gain, only a sophomore, was recently selected as All-South tackle by Collier's Magazine, as a result of an all-season poll of 190 college sports editors. He made the first team tackle along with Szafaryn of North Carolina.

In addition, Gain was named on the national All-Sophomore football team selected last week. This week Gain was placed on the Associated Press' All-SEC second team along with Potter Payne of Georgia.

Surprisingly enough, Norman Messerell of Tennessee, whom Gain completely overshadowed in the Cat-Vol game two weeks ago, was on the first team at tackle along with Paul Lea of Tulane in the AP poll.

Bob's game against the Orange and White was so brilliant that even the prejudiced Knoxville sports writers praised the young giant.

One Tennessee scribe said after the fact that Gain "was easily the standout on both teams, in my opinion. Gain repeatedly piled up running plays, executed his assignments on offense like a 10-star pro star and played the tireless brand of ball seldom seen these days."

A Vanderbilt scout commented that Gain "is the best tackle I've seen this year," after watching the big boy stop Tennessee's backs as he played 57 minutes out of a possible 60.

UK Beats Miami, 25-5; Ties Tennessee, 0-0

Despite the warm weather and the poor turf on Miami's Roddey Burnside Stadium (Orange Bowl), the fighting Wildcats from Kentucky defeated the University of Miami Hurricanes, 25-5, six points more than they were favored to win by.

Again it was the passing and punting of Senior George Blanda that played a major part in the UK victory. He completed 9 aeriels in 17 tosses despite a slippery, sand-covered ball on several of his attempts.

Ralph Genito played his best game of the year. He scored first on an off-tackle run which resulted in his going 82-yards into paydirt for the Big Blue.

Bob Gain never got a chance to try for the extra point as the snapback was fumbled because of a bad pass from center.

Miami Kicks Field Goal
Still in the first period, Miami surprised everyone by trying and making a 35-yard field goal. Big Harry Ghast made the kick. That put the score at 6-3, Kentucky.

No scoring was done in the second quarter. But in the third period, Ralph Genito dove across the goal from the one-foot line for UK's second TD and again UK failed to kick the extra point.

Cats Score Two In Last Period
Kentucky outscored Miami 13 points to two in the final quarter. The first came on a perfect 1-yard aerial from Blanda to Wah Jones who "rotted over from the three stripe."

Miami got a safety when Norm Kleka attempted an end run and was tackled in the end zone by Miami.

The final scoring of the contest came in the last seconds of the game when Harold Woodard, Kentucky linebacker, intercepted a desperate Miami aerial by Del Bello and raced 27 yards for a TD just as the tilt ended.

Cats Defeat Indiana Central, 74-38, As Beard Hits For 20

Twice All-American Ralph Beard led the Kentucky Wildcats to a 74-38 win over a muddled Indiana Central cage team last Monday night, slugging in 20 points from all over the court.

The Greyhounds from Indianapolis merely jogged around the floor for 20 minutes, for after the first minute the game was never in doubt. The Wildcats, although winning easily, did not show the smooth razzle-dazzle characteristics of last year's championship team.

Indiana Central's pride and joy, Elwood McBride, who dropped in 22 points against Eastern last Saturday night, was closely guarded by Beard throughout and got off few decent shots; he cashed in only one fielder for a total of two points for the night.

Groza Gets 14

Alex Groza, elected team captain just before the season started, did a fine job of rebounding and racked up 14 points. Cliff Barker made a bunch of passes that brought exclamations and cheers from a gynatal of sceptical fans; hit a long shot and got some rebounds for 10 points. Barker knocked the bottom out of the basket several times from far out.

Dwight Swails, who played almost the entire game at the forward center position, lead the visitors with 16 points.

Native Of Akron

The 19-year old, 6'3" sophomore was born in Akron, Ohio, and his family moved to Weirton, West Virginia, a few years later. He played high school football there and made All-State in his final two years.

As a freshman in 1947, Gain worked his way up on the squad and showed enough to beat out older veterans of the line and started three games last season.

Missed One Game
The big tackle missed one game this year—against the Cincinnati Bearcats. He was kept out of this fracas because of a bruised side received in the Marquette game.

Gain was selected as the Kernel's Player-of-the-Week for his fine game against Georgia. He served as captain for the Kentucky-Ole Miss tilt and, as usual, turned in another great game for the Big Blue.

Other Duties
The huge West Virginian not only plays an outstanding game at tackle but also does much of the Wildcats' kicking. He does most of the points—after—touchdown attempts, occasionally kicks off, and narrowly missed a 7-yard field goal against Tennessee midway in the final quarter of that game.

Gain and Paul Lea of Tulane, another great sophomore tackle, are expected to monopolize all the conference honors at that position for the next couple of seasons.

Bob Gain has an excellent chance to become Kentucky's second All-American before he leaves the Wildcat team in 1950.

Little Johnny Melhaus, who played a very fine game, went in and booted the placement to give Kentucky a 20-point win. The victory gave the Cats of Coach Paul Bryant a record for the season of five wins, three losses and two ties.

TENNESSEE GAME
Some 35,000 people watched Kentucky hold the Tennessee Volunteer eleven to a 0-0 tie November 20th, in a game played at Knoxville's Shields-Watkins.

The UT Vols were a two-touchdown favorite to win, but the brilliant punting of Quarterback Blanda and the stubborn UK line, led by Bob Gain, checked the Orange and White offense throughout the game.

The closest the Cats came to scoring was midway in the fourth quarter when Gain tried a field goal from the 27-yard line, with fourth down and five yards to go. His effort narrowly missed winning the game. The ball, sailed a few feet to the right of the goal posts and Tennessee took over.

Well-Scouted By UK
The Tennessee team appeared to be well-scouted by Kentucky's Coach Frank Moseley. Only one play fooled the fighting linemen of UK. That was an end run by Wingback Bob Lund who took a handoff from Hal Littlefield and romped to the UK 20.

Outstanding for Kentucky besides Gain and Blanda were Dick Holway, Lloyd McDermott, Wah Jones, and Doc Ferrell.

In the closing minutes of the game, Blanda punted from his 14 for 78 yards, the ball going out on the eight-yard line of UT. Moments later, he topped that when he stood on the 16 and booted the ball for 82 yards on the fly. The leather landed on the two and bounded into the end zone. These two were perhaps the longest punts ever seen at Shields-Watkins Field.

Cage Frosh Trim Wesleyan And Cumberland; Asbury Next

By Tom Spillman

The Kentucky freshmen basketball team will meet Asbury College of Wilmore in Alumni Gym, Monday, Dec. 6, at 8 p.m., before an all-student audience. Student ticket books will be good for the tilt.

In beating Cumberland Junior College last Monday, 70-44, "Skippy" Whitaker was hot as he gathered 22 points. In second place for UK's first year men was Bill Spivey with 13.

Cumberland's Norman Renfro and Jack Hord each got 11 markers to make half of their team's points. The defending Southeastern Junior College champions, who won 29 straight games last year, were lacking in stature, but made up for that in speed and spirit.

Coach Harry Lancaster's charges were fairly tight on defense as the visitors made only 12 field goals and needed 20 free throws to get the 44 points.

The Kentucky freshmen were in command of the game all of the way, with the score 31-17 at the half in their favor.

The Kittens had a good average at the free throw line, hitting for 69 per cent, while they made 33 per cent of the field goal attempts.

A hard fighting Wesleyan freshman basketball team almost upset a taller UK frosh quintet at Winchester, Nov. 22, but weakened at the close to lose 49-58.

Although the Kentucky Kittens were out in front all night, they never enjoyed a comfortable margin, with 10 points the biggest lead they were able to compile.

Marksmanship and passing were mediocre and many fouls were called in the close play.

UK Fencers Card Seven Matches For 1949 Season

The 1949 schedule for the University fencing team has been partially completed. The first match will be against the University of Illinois, at Champaign, Ill., early in January. The fencers will go from Illinois to Cleveland, Ohio, where they will meet Case Institute on the following day.

After these two matches, the UK fencers will then take on University of Louisville; Cincinnati; Vanderbilt; and then rematches with Cincinnati and with Louisville to close the season.

Frosh Football Team Trimmed, 16-6, By 'Bama

The University of Kentucky Wildkittens completed their 1948 schedule Thanksgiving day with a 16-6 defeat at the hands of the Alabama freshman team at Anniston, Ala. The contest was sponsored by the Anniston Quarterback Club as a charity affair.

The Kittens drew first blood in the opening stanza as halfback Clifton Lawson broke away for a long run deep into Alabama territory.

With John Parelli calling signals, the Kentucky team went over for the score. The half ended with the UK frosh on top, 6-0.

The Alabama boys came charging back after the rest period. After the smoke cleared, with but a few minutes having elapsed since the half,

will be: Foils—C. LeGette, D. Brown, A. Solomon, S. Neal, E. Martinez, C. Mitchell, P. Hagerson, G. Gatehel and M. Yakowsky.

The Epee—G. Christen, J. Baldrige, C. LeGette and J. Ryan. Sabers—G. Christen, J. Ford and D. Brown.

Much of the team's success will rely on the showing of the four mainstays — Doug Brown, Charles LeGette, Alan Solomon and Sidney Neal.

Exhibition Held

Doug Brown and Charles LeGette recently gave an exhibition of the use of the foil, the epee, and the saber before the girls gym class in the University Women's Gym.

In colonial days Harvard and Princeton Colleges announced lotteries in the newspapers. The revenue from this gambling was to help run those institutions.

Kentucky was behind to stay. An Alabama field goal in the last quarter ended the scoring.

Coaches Charlie Browning and Bill Mosely agreed that the game was a well-played and very rugged contest. They expressed satisfaction with the showing of the Kentucky team, particularly with the excellent line play of Tackle Frank Fuller.

Player Of The Week:

Ralph Genito
Miami Game

Fullback Ralph Genito has been selected for Player-of-the-Week for his splendid running in the Miami tilt last Friday night. Genito scored Kentucky's first two touchdowns—the initial one coming early in the game and the second late in the third quarter. In the final period, the Wildcats pushed across two more TD's to tie the game.

Quarterback George Blanda, playing his final game for the Big Blue, was outstanding both in passing and punting. He completed nine in 17 aerial attempts. Other standouts for the UK eleven were Johnny Melhaus, Wah Jones, Jerry Claiborne, Bob Gain, Lloyd McDermott, Harry Uinski, Doc Ferrell and Pat James.

Harold Waddell, sophomore from Beckley, W. Va., scored his first touchdown for Kentucky with a pass interception and a fine 7-yard runback into paydirt as the game ended.

Genito Goes For 82 Yards

The Kentucky-Miami game was only two minutes old when Ralph Genito, running like a deer in front of a forest fire, scored on a beautiful 82-yard dash to put the Cats ahead, 6-0. Then in the third quarter, he scored again on fourth down from the one-foot line after the Miami line had stiffened to stop John Melhaus, Clayton Webb and Genito in three previous backs.

Miami Mistake

In one of the Miami papers before the game there appeared the following item:

"Keep an eye peeled for Ralph Genito. He has averaged 45.9 yards per carry and is the speedboy Miami's Andy Gustafson said 'probably will run over us.'"

The typographical error was corrected in a later edition, but Genito did average over 45 yards per try in his first few runs as a result of the 82-yard sprint in the first quarter. He boosted his 4.5 average yards per try for the season up, as he gained a total of 138 yards in 17 runs for an average of 8.1 against the Miami eleven.

One Season Left

Ralph has one big season left. He is expected to have his best year in 1949, as the fleet-footed Pennsylvanian came along fast in the final six games of this campaign.

He is the older brother of Carl, UK's No. 2 quarterback. Both were stars for Duquesne, Pa. High a few years ago. Ralph is 24 years old, while Carl is 20.

They only played two games together in high school, for Ralph was playing his last season when Carl was just a freshman.

In three years as regular fullback for Duquesne High, the 170-pound back and his teammates lost only a total of four games. He was selected as All-Western Pennsylvanian and second team All-State after scoring 10 touchdowns in his senior year.

After graduation, Ralph entered

Intramural Sports

By Tom Spillman

An eight-team elimination volleyball tournament is to be concluded by Tuesday, Dec. 6. All winners will be decided by taking two of three games in each match.

Last Wednesday night, SAE played SN, and opposed SX in the upper bracket, while SPE met ATO, and KS battled PSK in the lower bracket.

Last night the semifinals were played, and next Tuesday night will be the final game.

The final regular-season standings of all teams in Division I are as follows: PKT (3-4), ZET (5-2), SAE (7-0), ASP (0-7), SN (4-3), PKA (2-5), KS (4-3), and LXA (3-4).

For Division II, the records were: SX (6-1), PSK (6-1), ATO (4-3), DX (0-7), PDT (0-7), DTD (2-5), SPE (6-1), and AGR (3-4).

Ping Pong

Ping pong experts are now engaged in a tournament in the basement of Alumni Gym. The pairings, along with the rules, are posted on the IM bulletin board, and two playing tables are set up in locker room.

To win a match, two out of three games have to be taken, except in the finals when three out of five

games must be won.

The singles division has 81 entries with 34 in the first round and 47 drawing byes to the second round. Teams for the doubles total 39, with 14 in the first round, and 25 delayed until the second round.

The first round is scheduled to be finished by Dec. 8, and the second round by Dec. 17. The remainder of the contest will be played after the Christmas vacation.

Bowling

There was no bowling in the IM league on the night of Nov. 29, because of the double-header basketball game in Alumni Gym.

Through Nov. 22, the top three teams were: Tri-Y (775.5), Lambda Chi Alpha (771.7), and the 500-Club (759.3). The three highest individuals were: C. Brown (LXA) 189.2, J. Asher (FSX) 172.2, and C. Yother (Tri-Y) 171.8.

For the night of Nov. 22, the high team game was Kappa Alpha's 831, but Tri-Y took high team average with 811.

Enicks (KA), for Nov. 22, took both high individual game (248) and high individual average (202.3). The high game of 206 bowled by C. Brown of Lambda Chi Alpha still stands as the highest bowled this season.

Lions Club Plans Boxing Show Monday Evening

The heavyweight championship of Kentucky will be at stake in the main event of the boxing show planned by the Lions Club for Woodland Auditorium Monday night.

Bob Garner, Lexington Negro who has been sparring mate for Champion Joe Louis and more recently exhibition foe of the Brown Bomber on a Southern exhibition tour, will go against Frankie Majors of Louisville for the title. Four other bouts totalling 28 rounds are planned by the Lions, who will use the proceeds to sponsor their annual Christmas party for orphans.

Jennings Brotherton, Richmond lightweight nearing a title tilt, will meet Gene Carlisle of Louisville, the only man able to whip Brotherton in recent months.

Clarence (Jawbreaker) Batsel of Central City and Allen Hackett of Frankfort are to clash in a light-heavyweight event. Batsel received his nickname in yesteryear when he literally broke the jaws of several foes. Hackett once went to the finals of the national Golden Gloves.

Buck Penn of Frankfort and Don Rocco of Louisville are scheduled in a four-rounder. Two Louisville Negro welterweights, will open the card at 8:30 in a four-rounder.

Choice seats may be obtained at Graves, Cox and Company, or at the Runyon candy store, 118 north Lime.

Cats Meet DePaul Wednesday In Try For 20th Straight Win

By Dudley Saunders

Kentucky's Olympic cage Cats lock jaws with the powerful DePaul Blue Demons Wednesday night in quest of their 20th consecutive victory against college competition. The game will be played in the Louisville Armory.

Notre Dame was the last college team to trim the defending NCAA champs, turning the trick in South Bend last February, 64-53. Since then only the Phillips Oilers have defeated the charges of Adolph Rupp.

Both quintets won their season openers last week, the Blue Demons trouncing Illinois Tech 70-34, and the Wildcats coasting 74-38 over Indiana Central.

DePaul plays Chicago teachers tonight.

For the first time in a half dozen years Coach Ray Meyer is without a Mikan at the pivot post. First he had the towering George, hailed as one of the greatest of the All-Americans, and then came his little brother Ed, who also won a good deal of acclaim for himself. Both are now major league professional stars. Whitey Kachan, the Blue Demon's spark-plug guard, is also gone.

Top-Flight Sophomores To fill the gap caused by their graduation, Meyer has a half dozen

top-flight sophomores, three of whom won starting berths in the DePaul opener.

One of the sophs, Forward Bill Benson was high-point man against Illinois Tech with 14 points, and another, Guard Bato Govedarica scored 11. The other soph, Forward Jack Lahey got four.

The two seniors, Center Jack Phelan and Guard Chuck Allen, got nine and 11 points respectively.

Meyer can send four experienced reserves into the game against Kentucky—Guards Leddy and Coorlas, Center Vukovich, and Forward Gordon Gillespie. This quartet has operated against Kentucky before and last year accounted for 482 points for the season.

Phelan At Center

Taking the departed Ed Mikan's place at the pivot post is Jumping Jack Phelan, a fast 95" cager. He is a senior and was forced to play second fiddle to Mikan for two years. Observers say he is very tough under the baskets and is a threat on the fast-break style of play.

Probable starting lineups:

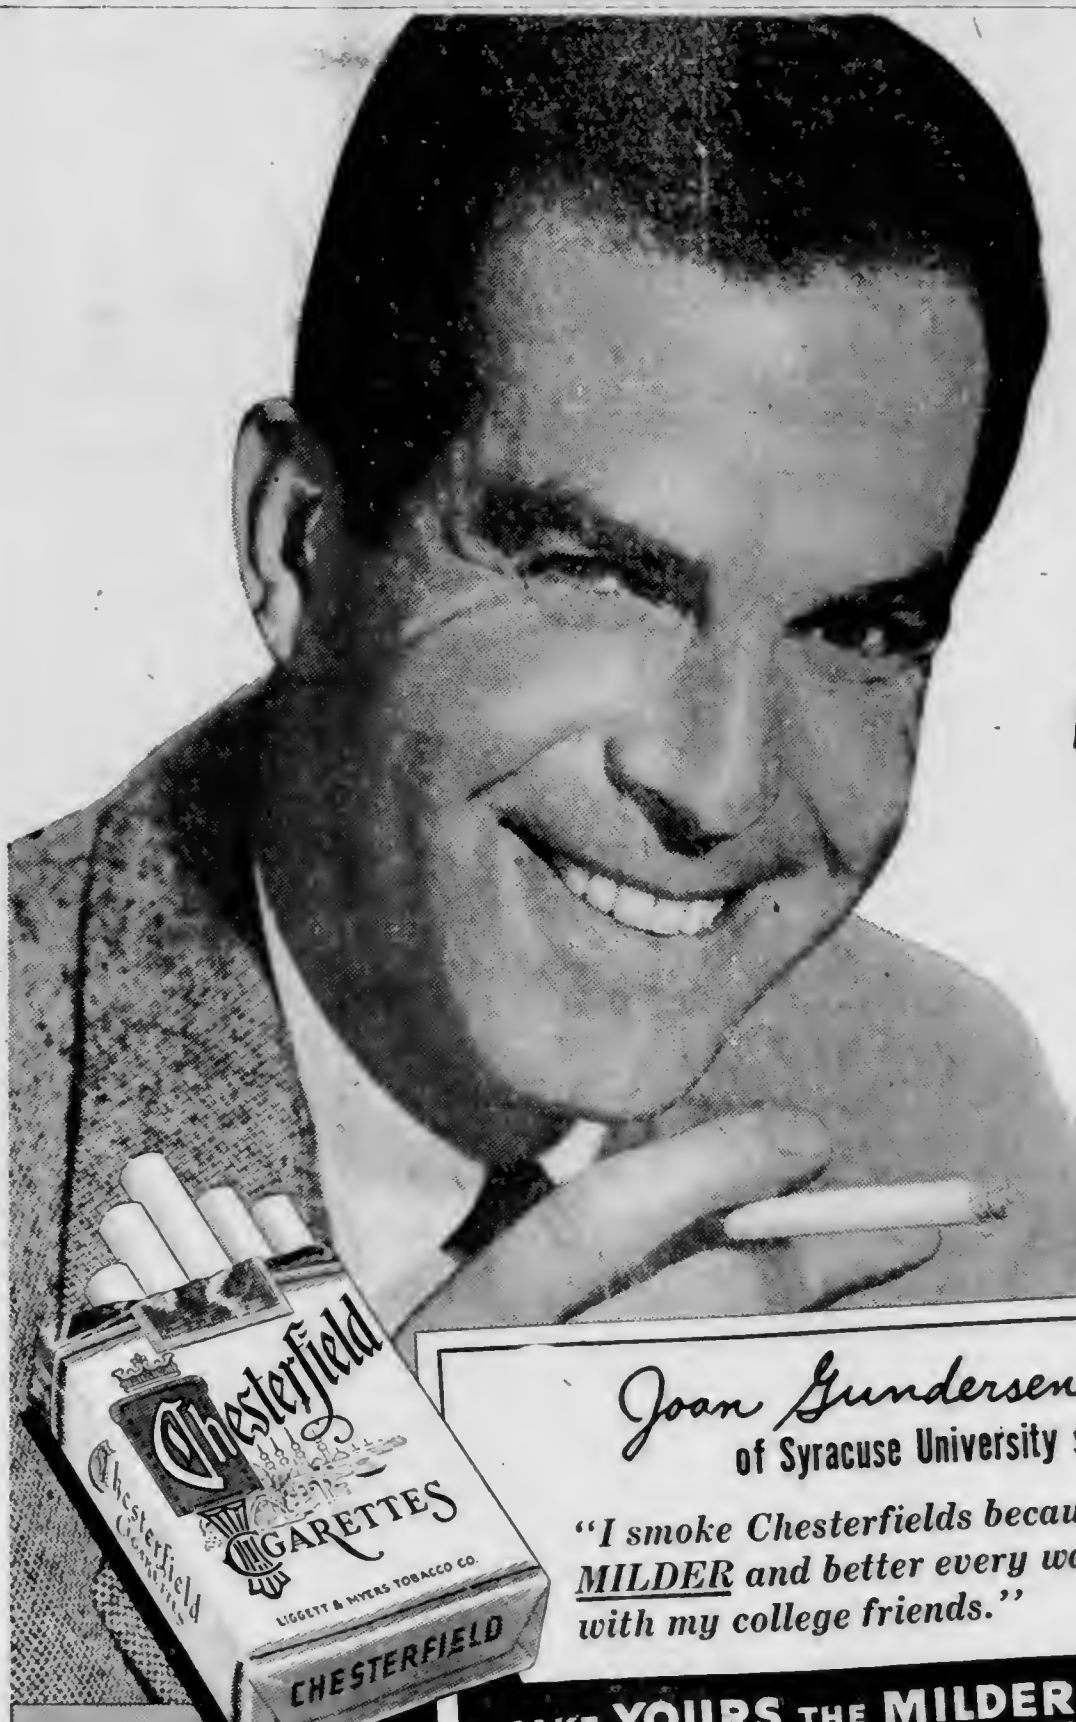

Kentucky	DePaul
Lahey	F
Barker	F
Groza	C
Beard	G
Barnstable	G
	Govedarica
